

# Pro Health

## FEEDING SUPPLEMENT WITH ESSENTIAL OILS

**USES: \*FEEDING SUPPLEMENT  
\*SPRAY/DRENCH**

### FEEDING SUPPLEMENT

Syrup mixed with Pro Health stimulates bees to consume more heavily during early spring, late autumn and other times when natural nectar is not sufficiently available. Pro Health also prevents fermentation of sugar syrup. Healthy, well-fed bee packages, nucs and swarms are more quickly able to build the comb they need to establish the hive.

### SPRAY/DRENCH

New foundation may be sprayed with Pro Health mixed with syrup to stimulate bees to draw out foundation faster. Some beekeepers lightly spray bees rather than using a smoker to calm their bees.

For extra health benefits and for times when bees are reluctant to feed, bees can be drenched with up to 1 cup (237 ml) Pro Health mixed with syrup, causing the bees to ingest higher quantities of the essential oils as they lick themselves and the hive clean.

# DIRECTIONS FOR USE

Shake well before use.

Keep tightly sealed between uses.

Do not feed with supers on.

<b>Finished Feed</b>	<b>Syrup</b>	<b>Pro Health (appetite support)</b>	<b>Pro Health (drench/spray)</b>
Quart (1 L)	1 Quart/ 1 Liter	1 teaspoon (5 ml)	4 teaspoons (20 ml)
Gallon (4 L)	1 Gallon/ 4 Liters	4 teaspoons (20 ml)	6 Tablespoons (80 ml)
50 Gallons	50 Gallons	32 oz (1 Liter)	1 Gallon (4 Liters)
250 Gallons	250 Gallons	1.25 Gallons (5 Liters)	5 Gallons (20 Liters)
2000 Gallons (1/2 Tanker)	2000 Gallons	10 Gallons (38 Liters)	40 Gallons (150 Liters)
4000 Gallons (full tanker)	4000 Gallons	20 Gallons (75 Liters)	80 Gallons (300 Liters)

\*Syrup: Mix Pro Health with 1:1 Sugar Syrup (equal volume sugar and water), High Fructose Corn Syrup (HFCS) or Liquid Feed Blends, such as Pro Sweet, available from Mann Lake and its local dealers.

## INGREDIENTS

Sucrose, Water, Spearmint Oil, Lemongrass Oil, Polysorbate 80, Lecithin, and Thymol

For external use only. Keep out of the reach of children. If accidentally ingested, contact your local Poison Control Center immediately. Keep from freezing. The user assumes full liability of use.
